Subject: emails & calls from your agents

EXTERNAL SENDER

I have previously emailed you about my illegal termination & other claims against Wilmer Hale & [REDACTED]. Your agent Hire Counsel continues to send me emails after I was illegally terminated on March 17, 2020 in retaliation for my coronavirus whistleblower complaint. Despite the NY Governor's order you & your agent are still emailing ex-employees saying that remote work is not possible & sending uninvited communications.
